

EMERALD EARTH RETREAT

HARVESTING THE FRUITS OF AWAKENING

October 21 & 22, 2017

Madison, Wisconsin

An Alchemical Ziraat Retreat

With

Kainat Felicia Norton

and

Muinuddin Smith

In this retreat we will share in deep practices for cultivating the natural self, exploring the alchemy of the soul's journey, and orienting more clearly to our unfolding purpose. Attuning to Sophia, the sacred wisdom of the earth, and drawing upon the profound Ziraat teachings of Hazrat Inayat Khan, we will explore the stages and dynamic processes of cultivation. These teachings provide a code on how to do our work, to fully till the field of our being, and to bring the seeds of our ideals into manifestation. Restoring our intimacy with the sacredness of all of life, we participate in serving an earth of beauty.

Retreat guides Kainat Felicia Norton and Muinuddin Smith are senior teachers within the Inayati Order, in which Kainat also serves as 1st Vice President of Ziraat (<http://www.ziraat.org/>). Together they founded the Light of Guidance Center for Sufi Studies in New York City. They are co-authors of the book "An Emerald Earth: Cultivating a Natural Spirituality and Serving Creative Beauty in Our World" and they lead meditation retreats and workshops internationally.
